Peachtree is an excellent product for small businesses that are just getting started. However, as your business grows, your accounting needs change. We at Best Software understand the challenge of a growing business, which is why we offer a straightforward migration path to MAS 90 and MAS 200 product lines and to the next level of functionality.

Making a change from software that you are comfortable with is seldom easy. To help make the conversion process fast and simple, Best has designed the Data Migrator to assist Peachtree customers like you, in a painless change to Best's MAS 90 or MAS 200 software. Enjoy all the benefits of increased functionality, customization capabilities, and flexible reporting without the need to re-key your important information. The Data Migrator can save valuable time and resources in today's fast-paced business environment.

The **Conversion Guide** is another helpful tool that can alleviate the fear and minimize down time when converting data. The guide outlines the workflow differences between Peachtree and MAS 90, and correctly sets your expectations when converting your data.

Our nationwide network of qualified MAS 90 and MAS 200 Conversion Specialists have the exclusive rights to our special Data Migrator. Specialists can quickly accomplish data conversion to MAS 90 and MAS 200 from Peachtree Complete Accounting versions 7, 8, and 2002 (AKA 9.0). (If you are using an earlier version of Peachtree, ask your MAS 90 and MAS 200 Conversion Specialist about special procedures that allow you to take advantage of this program.) Not only can our Conversion Specialists demonstrate the flexible, intuitive and

customizable features available in MAS 90 and MAS 200, they can also minimize the time it takes to convert your data and make it operational on your new MAS 90 or MAS 200 system. Your data will be up and running on your new system in virtually no time.

Enjoy the advantage of staying within the Best Software family of products. You can count on the same award-winning level of support and the comfort of working with the software leader for small to mid-sized businesses.

FEATURES

Conversion Specialists	Our nationwide network of qualified conversion specialists has exclusive rights to the Data Migrator, to ensure a smooth conversion of your data.
Conversion Guide	Included with Peachtree Special Edition of MAS 90 is a <i>Conversion Guide</i> that helps answer common conversion questions.
Limited "Down Time"	Due to the Data Migrator's unique design, your Conversion Specialist will be able to test-run conversions without taking precious business time — this means minimal down time during migration.
Ease of Use	Peachtree Special Edition of MAS 90 was designed with growing businesses, like yours, in mind. It's no wonder MAS 90 is recommended by more CPAs than any other mid-market accounting software.
Scalability	Once you are using Peachtree Special Edition of MAS 90 and your business continues to grow, it's simple to expand your system and add more modular functionality, or even move up to client/server or an SQL-based solution like MAS 90 or MAS 200 for SQL Server.
